

Project Department: Home Affairs Department

Project Title: Improvement Works to Village Access and Associated Intercepting Drain at Shek Mun Kap Village

Project Brief: An existing village access in Shek Mun Kap Village to the west of Tung Chung Stream is seriously damaged. This project aims to manage quality of the surface runoff by improving the access and providing intercepting drain and manhole with silt / grease trap.

Project Layout Plan:

小型地區改善工程

部門： 民政事務總署

工程項目名稱： 石門甲村鄉村通路及相關截水渠改善工程

工程項目簡介： 位於東涌河以西的石門甲村現有鄉村通路損毀嚴重。本工程項目旨在透過改善通路狀況及增建截水渠及配置淤泥收集器 / 油隔的沙井，以管理地面水流的質量。
